SICKLE CELL RESEARCH OPEN EVENING

(Online)

Join us for an informative and supportive online event about the REDRESS Study and the potential of half-matched (haplo-identical) stem cell transplantation for adults living with sickle cell disorder in the UK.

MONDAY
12 OCTOBER 2026
5:30PM - 7:30PM
(UK TIME)

VIA MICROSOFT TEAMS

MEET OUR PANEL

Dr Subarna Chakravorty

Consultant Haematologist
REDRESS Study Team

Dr Victoria Potter

Consultant Haematologist
REDRESS Study Team

Chika Create

Transplant Recipient
& Content Creator

Giovan Aaron

Stem Cell Donor

WHAT TO EXPECT

- Clear and up-to-date information about the REDRESS Study
- Hear from clinicians, researchers and people with lived experience
- A live Q&A with our panel
- A supportive space for patients, families, carers and potential donors

WHO SHOULD ATTEND?

People living with sickle cell disorder, family members, carers, potential donors and anyone in the UK interested in learning more about transplantation and REDRESS.
